CRUISE MYTHS. BUSTED.

I'LL GET BORED ON THE SHIP.

With so much to do on board, you'll have to book another cruise just to experience it all! We have a seemingly endless choice of activities on board such as go-karting, wine tastings, sports and aqua parks during the day. Every night there's entertainment like Broadway shows, live bands, nightclubs and a superb choice of bars and lounges.

I'LL GET SEASICK.

Due to the ship's size and the use of stabilizers when needed, you may not even feel that you are moving! However if it is a concern, you can book a stateroom mid-ship where there is the least movement, and there are many medicinal and natural remedies available.

IT'S TOO EXPENSIVE.

Unlike any other vacation, with Norwegian's exclusive Free at Sea promotion depending on the stateroom category you choose, you can receive up to 5 free offers with a value of up to \$2,900. You can choose from Free Open Bar, Free Specialty Dining, Free Excursions, Free WiFi or Free Kids. Plus, with worldwide cruises of varying lengths and a wide range of staterooms, you'll find the vacation that's perfect for you and your budget.

I'LL HAVE TO EAT WITH STRANGERS / I HAVE TO EAT ON A SCHEDULE.

We offer you the freedom and flexibility of dining when, where and with whomever you want. With a variety of incredible restaurants - up to 21 dining venues - to please any palate, Feel Free to be a little epicurious and follow your mood, not a schedule.

THERE WILL BE TOO MANY PEOPLE.

Our contemporary ships are designed for comfort and space, giving you plenty of room to roam at sea. From relaxing at the Mandara Spa and reclining poolside, to strolling along The Waterfront on select ships and enjoying delicious room service on your own private balcony in a Balcony Stateroom or Suite, finding your happy place on board is a breeze. Also, Suites in The Haven by Norwegian® offer exclusive access to a private courtyard with pool and their own bar and restaurant on select ships.

WHERE DO YOU WANT TO GO?

Whether you're island hopping or crossing oceans to destinations far and away, come aboard Norwegian Cruise Line to any one of the destinations listed below for a vacation you'll never forget.

WHAT TO PACK

PERSONAL ITEMS

Be sure to hand carry any medications or medical equipment you may need along with your passport and travel documents.

ELECTRONICS

Remember all your tech stuff: tablets, chargers, cameras, travel adapter, etc. All of our ships are equipped with standard, 110 volts AC outlets.

WHAT TO LEAVE AT HOME

Guests are not allowed to bring on board alcoholic beverages (except for wine and champagne, see below), firearms, weapons of any kind, ammunition, explosive substances, irons, steamers or any goods of a dangerous nature, nor animals of any kind, except service or guide animals.

WINE & CHAMPAGNE

You may bring bottles of wine and champagne on board; however these bottles are subject to a corkage fee. But remember, alcoholic and soft drinks are included in the Free Open Bar as part of Norwegian's Free at Sea.

BRING A CARRY ON BAG

Suitcases arrive at your room later on embarkation day and are collected the last night of your cruise (if you don't opt for self-assist). So don't forget a small overnight bag for carrying any necessary medication, valuables, important documents and need-to-have items.

HOW MANY SUITCASES CAN I BRING ON BOARD?

Each guest is allowed two pieces of checked luggage with a 50 lb maximum each. Luggage should be clearly labeled with your name, address and contact number. Luggage tags which you can print at home are included in your eDocs. If you're travelling by air, you need to check with the airline for baggage allowances and restrictions.

REMEMBER TO:

- Pack for the destination – Whether your destination is warm or crisp and cool, packing layers will your best bet.
- Consider your excursions – Bring along closed toe comfy shoes for your shore excursions and sports activities.
- Dress cruise casual during the day, and smart casual in formal dining rooms and speciality restaurants in the evenings.
- Kids 12 years and under are welcome to wear nice shorts in all our restaurants.
- Flip flops, baseball caps, visors and jeans that are overly faded with holes or tears and worn below the hips are not permitted in main dining rooms or speciality restaurants.
- We offer laundry and dry-cleaning services on board. Express, same-day service is also available.

WHAT TO EXPECT ON YOUR FIRST DAY

- Visit ncl.com and complete online check-in in advance then download and print your electronic documents (eDocs) that act as your boarding pass. You can also now check-in and view your e-docs on the Cruise Norwegian app.
- Be sure to bring a carry on/backpack (packed with a bathing suit, sunscreen, camera, etc.) so you can enjoy everything the ship has to offer, prior to receiving your luggage.
- Arrive at the port at your allocated time and porters will take care of your luggage. Stroll into the terminal, clear security (just as you would at an airport) and proceed to the check-in desks, ensuring you have your travel documents and passport handy.
- Once checked-in you'll be given your cruise card, which is also your stateroom keycard, and you will be able to board your ship. Be sure to keep your keycard handy, as you will need it every time you board or disembark the ship during your cruise.
- Start your vacation with a fun first memory. Our professional photographers will take your photo, available for purchase later if you wish, as a wonderful memory of your cruise.
- Staterooms are usually ready by the afternoon, however, in the event that your stateroom is not ready upon boarding, take the time to explore your ship or grab some lunch.
- In the late afternoon, the mandatory muster drill (safety drill) will take place. You will find your muster location on the back of your stateroom door. During this drill, the crew will inform you of what to do in the event of an emergency.
- Then head to the pool deck for your Sail Away party. Bon voyage!

WHAT TO EXPECT ON YOUR FINAL DAY

THE NIGHT BEFORE

The night before debarking, or the morning of, you will receive your final bill for the cruise. For your convenience, you can review your bill over the course of your vacation on the Norwegian app.

LUGGAGE

You have two options for handling your luggage on debarkation day. You can self-assist, which means you will carry off all your luggage. If you decide to do this, you will need to be able to carry all your luggage down the gangway and through Customs.

Otherwise, you can pack your luggage the night before debarkation and put it outside your stateroom door with the coloured baggage tags provided firmly attached. The crew will collect it during the night, and it will be waiting for you in the terminal the next day. Remember to keep an overnight bag for your personal belongings, travel documents etc.

Once you make your way off the ship, you can collect your luggage and head to Customs.

CUSTOMS

In certain destinations you will be given a Customs Declaration form the night before debarkation which must be completed and handed to the Customs Officer.

After Customs, leave the terminal and head to the designated transportation area to get your shuttle to the airport if you have arranged transfers or directly to your vehicle if you parked at the port. There are also taxis readily available.

SAILING TOWARD A BRIGHTER FUTURE.

Norwegian Cruise Line is committed to the preservation of our environment for future generations. Our Sail & Sustain program was born from this commitment and to foster a culture of awareness and respect for our world's resources. Through this program, we have launched many successful initiatives to mitigate waste, invest in new technologies to improve fuel and energy efficiency and promote water conservation and management on board our ships. The implementation of initiatives by our dedicated ship crews and unique company partnerships are essential to the program's success.

SAIL SUSTAIN

JUST WATER

We are thrilled to have recently announced the company's new partnership with JUST® Goods, Inc. This exciting, ground-breaking partnership has eliminated all single-use plastic water bottles across Norwegian Cruise Line's fleet. This initiative started with the launch of Norwegian Encore and was implemented across the entire fleet on January 1, 2020.

THE LAST STRAW

As a member of Ocean Conservancy's Trash Free Seas Alliance®, Norwegian Cruise Line launched an initiative in 2018 to eliminate single-use plastic straws from its two island destinations and its fleet of 17 ships. It's estimated that this will eliminate more than 50 million straws from the fleet per year.

CORAL REEF RESTORATION

Norwegian has developed a unique partnership with Nova Southeastern University (NSU) to restore the coral reef located in the waters surrounding our private island, Great Stirrup Cay. In 2018, researchers established several in-water Acropora coral nurseries so that once these corals are large enough, they will be transplanted to the local reef.

ALASKA RAPTOR CENTER

As the youngest fleet cruising Alaska, Norwegian is dedicated to preserving the spectacular landscapes and biodiversity of The Last Frontier and has partnered with the Alaska Raptor Center. The facility offers invaluable programs to provide medical treatment for local birds of prey, conduct avian research and educate its visitors about the birds and environmental conservation.

CRUISING FOR CONSERVATION

Guy Harvey painted the stunning hull artwork on Norwegian Escape and ever since, Norwegian has continued partnering with the Guy Harvey Ocean Foundation (GHOF). Since 2017, guests aboard the annual "Cruising for Conservation with Guy Harvey" have had the opportunity to listen to Dr. Harvey and his team speak about conservation efforts and attend live painting sessions.
